OBJECTIVE:

To obtain a challenging position as a Front end developer where I can utilize my web developing skills for the growth of the organization.

PROFESSIONAL SUMMARY:

Innovative Front-end web developer with over 2.8 years of experience in developing web applications and frameworks using React JS, Node JS, JavaScript, HTML5, and CSS and having strong skills and ability in writing clean and efficient code

- Have ample Knowledge on Latest Web Technologies like React JS, Node JS, HTML, JavaScript, CSS, JQuery.
- Created many TCS Internal Applications from scratch using HTML, JavaScript ,CSS, JQuery
- Strong Experience in Building websites and apps that are responsive and usable. Monitoring website performance and rectifying front-end-related issues. Testing to identify bugs and technical issues before and after deploying.
- Worked on migration of banking application from java applet UI to React JS UI library for designing UI for the screens using React JS library with Standard Chartered Global Business Services.

PROFILE SNAPSHOT
- I ranked 11th in entire Andhra State in my Intermediate with 97.5% , and ranked First in entire University in my B.Tech and cleared it with 86%.
- Won one Bronze medal in Hackerrank contest **Ad Infinitum18** in my B.tech 3rd year **2017.**
- Selected as a Bitz(Fast) coder in capgemini techchallenge50 coding challenge and won a cash prize of Rs.25000 when I was in B.tech 3rd year.
- Got **1214**th rank in round-1 and **820**th rank in round-2 of TCS CodeVita global level coding competition season VI in 2017 in all over the **World**.
- Finalist in 6 hours HACKATHON competition which was conducted in Raghu Engineering College during National level fest-2017.
- Participated in different contests in Hackerrank , CodeChef , Codeforces competitive programming websites. Always interested to solve complicated Use Cases with my coding and analytical skills.
- Passionate about **Competitive Programming,** always enthusiastic to learn new technologies.
- Won the first place in the App Development HACKATHON in 2019 conducted by Standard Chartered Bank.
